

DAIQUIRI RECIPE

- 2 oz white rum
- $\frac{3}{4}$ oz lime juice
- $\frac{3}{4}$ oz simple syrup

Combine all ingredients in a shaker, fill with ice. Shake (hard!) for 8-10 seconds and strain into a chilled coupe glass. Fine strain, if desired (I do). No garnish necessary.

Strawberry Daiquiri

Muddle 1 strawberry in with the simple syrup. Proceed as above. You may want to fine strain this one.

Pineapple Daiquiri

Muddle in 3 or 4 chunks of fresh pineapple. Or add $\frac{3}{4}$ oz pineapple juice, preferably fresh, but canned works in a pinch.
