

# TEQUILA OLD FASHIONED

- 2 oz reposado or añejo tequila
- ½ teaspoon agave nectar
- 2 dashes Angostura bitters
- 1-2 dashes mole bitters - optional
- orange peel for garnish

In a chilled mixing glass, combine the tequila, agave, and bitters. Fill it with ice and stir for 18-25 seconds. Strain into a chilled rocks glass over ice - ideally one large cube. Express the oils of orange peel and add it into the glass.

Alternatively, combine all ingredients in a rocks glass. Stir them with ice, garnish and serve.
