

# BOURBON-SPIKED ARNOLD PALMER

- 3 cups (about one 750ml bottle) tea-infused bourbon
- 1 cup lemon juice
- 1¼ cup simple syrup (or to taste)
- 2 cups ice water

Combine in a pitcher, add about 2 cups of ice and stir. Or refrigerate before adding ice until ready to serve, ideally no more than 24 hours. Garnish with lemon wheels and mint sprigs, if you like. Pour into the serving vessel of your choosing - Mason jars are nice - over ice.

## Tea-Infused Bourbon

- 5 bags or spoonfuls of black tea (Lipton or the like)
- 1 750ml bottle of bourbon in the 80 to 90 proof range

Combine bourbon and teabags or loose tea and let sit for 20 minutes, tasting occasionally. Remove the bags or strain out the tea and refrigerate.
